WORK EXPERIENCE

Frequency Coordination Group
August 2016 – June 2020
Worked as a technician for RF, networking, and intercom on various live events such as televised broadcasts, music festivals, and corporate events. Also managed a warehouse by servicing and repairing equipment and implementing and maintaining an inventory system.

Cirque du Soleil's "O"
May 2016 – August 2016
Worked as an audio intern assisting in system and microphone checks, intercom, and cabling.

School of Film and TV, LMU
August 2014 – May 2018
Worked as an audio engineer assisting undergraduate and graduate students with the use of software, hardware, and techniques for sound editing and recording. Also helped maintain an inventory, install and troubleshoot audio equipment, as well as built and fixed cable for classroom, student, and faculty use. Held a leadership role teaching new students and supervising the office.

School of Film and TV, LMU
August 2016 – May 2018
Worked as a teaching assistant for various classes and labs for undergraduate and graduate students demonstrating basic to advanced software, hardware, and techniques for sound editing and recording, music recording, and live sound.
